Information We Collect and Its Uses

When we need to collect personal information to execute a transaction or provide a particular service you requested, we will ask you to voluntarily supply us with any information we need. In connection with a purchase and sale transaction, we may ask you for personal information such as name, address, telephone and facsimile numbers, email address, occupation, government issued ID number, and nationality and passport number. We may use such information to verify your identity, complete the transaction, administer your memberships associated with MVWC and/or its Affiliates, send you commercial messages, advise you of other offers and information, carry out general recordkeeping, maintain a list of current and former owners or members, create informational or analytical reports, supplement your disclosed information, carry out verifications, planning or other legitimate business needs of MVWC and/or its Affiliates, allow for revenue collection or debt recovery, respond to your inquiries or others who you have identified as an authorized agent or proxy, and such other purposes as permitted by applicable law.

Other circumstances in which we may need to collect and use your personal information include reservations, online payments, and other related business activities. For example, if you would like to make a reservation at one of our resorts, we will ask you for information such as name, address, telephone number and email address to process your reservation. If you elect to make an online payment, you will be asked to supply information that is necessary to process your payment. We typically use your email address to send a confirmation and, if necessary, might use the other information to contact you for help in processing. When you provide contact details for transaction requests, such as scheduling an appointment or requesting a proposal, we will use the contact information to keep you updated about our future offers or promotions.

We may also collect and use your personal information to satisfy any applicable law, regulation, legal process, or enforceable governmental request, or when we have a good faith belief that use and disclosure is necessary to investigate, prevent or protect against harmful activities to MVWC or Affiliates, owners, guests, visitors, associates, or property (including our Websites), or to others.

We may use third parties to provide, confirm or supplement for us other information based on the information you provided to us directly. We would then use this information for market analysis and our direct marketing purposes.

Personal information will be retained only until it is reasonable to assume that the purpose for which that personal information was collected is no longer being served by its retention and the retention is no longer necessary for legal or business purposes.
